### PROFESSIONAL EXPERIENCE

---

#### SEO & Digital Marketing Executive

##### Markerz Global Solutions

May 2025 – June 2026

- Performed keyword research, keyword mapping, and search intent analysis using Google Keyword Planner, SEMrush, and Ahrefs to identify high-value ranking opportunities.
- Optimized 50+ WordPress pages per month by improving title tags, meta descriptions, headings, URLs, image alt text, internal linking, and content quality.
- Executed on-page and technical SEO across 100+ pages by resolving indexing issues, crawl errors, broken links, page speed issues, and Core Web Vitals concerns.
- Helped achieve first-page Google rankings for 40+ course pages within six months through strategic keyword targeting, on-page optimization, technical SEO, and content improvements.
- Used HTML5, CSS3, JavaScript, and WordPress to support SEO implementation, troubleshoot website issues, and perform minor website updates.

##### ConfWorld Educational Research & Development Association

June 2026 – September 2026

- Created and published social media posts while supporting off-page SEO activities to improve brand visibility, online presence, engagement, and website promotion.
- Managed and optimized Google Ads and Meta Ads campaigns, including campaign setup, audience targeting, ad monitoring, and performance optimization.
- Implemented JSON-LD Schema Markup, contributing to a 15–20% improvement in organic CTR and enhanced search visibility.
- Audited and resolved technical SEO issues, including canonical tag errors, duplicate URL indexing, and crawlability issues, improving website indexation and search engine visibility.
- Created, configured, and optimized XML sitemaps and robots.txt files, ensuring proper crawler access, URL discovery, and efficient search engine indexing.

### CERTIFICATIONS

---

- [Google Analytics Certification](#) – Coursera (June 2026) Gained skills in GA4, traffic, audience insights, and conversion tracking.
- [HubSpot SEO Certification](#) – HubSpot Academy (June 2026) Validated skills in keyword research, on-page SEO, technical SEO, and organic search.
