PROFESSIONAL EXPERIENCE

SEO & Digital Marketing Executive

Markerz Global Solutions, Chennai

May 2025 – June 2026

- Performed keyword research, keyword mapping, and search intent analysis using Google Keyword Planner, SEMrush, and Ahrefs to identify high-value ranking opportunities.
- Achieved 50+ WordPress pages each month by improving title tags, meta descriptions, headings, URLs, image alt text, internal linking, and content quality.
- Executed on-page and technical SEO by resolving indexing issues, broken links, crawl errors, page speed, and Core Web Vitals across 100+ pages.
- Implemented JSON-LD Schema Markup, increasing organic CTR by 15–20% through enhanced search visibility.
- Monitored SEO performance using Google Search Console (GSC), Google Analytics 4 (GA4), and Google Tag Manager (GTM) to track rankings, traffic, user behaviour, and indexing.
- Conducted competitor analysis and content optimization to improve search visibility, content relevance, and keyword performance.
- Helped achieve first-page Google rankings for 40+ course pages within six months through strategic SEO improvements.
- Optimized YouTube videos using SEO-friendly titles, descriptions, keywords, hashtags, and publishing schedules to improve discoverability.
- Published Instagram Reels through captions, hashtag research, and performance analysis to improve reach and engagement.
- Used HTML5, CSS3, JavaScript, and WordPress to support SEO implementation, troubleshoot website issues, and perform minor website updates.

CERTIFICATIONS

- [Google Analytics Certification](#) – Coursera (June 2026) Gained skills in GA4, traffic, audience insights, and conversion tracking.
- [HubSpot SEO Certification](#) – HubSpot Academy (June 2026) Validated skills in keyword research, on-page SEO, technical SEO, and organic search.
